Band	Task achievement	Coherence and cohesion	Lexical resource	Grammatical range and accuracy
9	fully satisfies all the requirements of the task clearly presents a fully developed response	uses cohesion in such a way that it attracts no attention skilfully manages paragraphing	 uses a wide range of vocabulary with very natural and sophisticated control of lexical features; rare minor errors occur only as 'slips' 	uses a wide range of structures with full flexibility and accuracy; rare minor errors occur only as 'slips'
8	 presents, highlights and illustrates key features/ bullet 	 sequences information and ideas logically manages all aspects of cohesion well uses paragraphing sufficiently and appropriately 	 uses a wide range of vocabulary fluently and flexibly to convey precise meanings skilfully uses uncommon lexical items but there may be occasional inaccuracies in word choice and collocation produces rare errors in spelling and/or word formation 	uses a wide range of structures the majority of sentences are error-free makes only very occasional errors or inappropriacies
7	• (A) presents a clear overview of main trends, differences or	 logically organises information and ideas; there is clear progression throughout uses a range of cohesive devices appropriately although there may be some under-/over-use 	 uses a sufficient range of vocabulary to allow some flexibility and precision uses less common lexical items with some awareness of style and collocation may produce occasional errors in word choice, spelling and/or word formation 	uses a variety of complex structures produces frequent error-free sentences has good control of grammar and punctuation but may make a few errors
6	(A) presents an overview with information appropriately selected (GT) presents a purpose that is generally clear; there may	 arranges information and ideas coherently and there is a clear overall progression uses cohesive devices effectively, but cohesion within and/or between sentences may be faulty or mechanical may not always use referencing clearly or appropriately 	*uses an adequate range of vocabulary for the task attempts to use less common vocabulary but with some inaccuracy makes some errors in spelling and/or word formation, but they do not impede communication	uses a mix of simple and complex sentence forms makes some errors in grammar and punctuation but they rarely reduce communication
5	inappropriate in places	 presents information with some organisation but there may be a lack of overall progression makes inadequate, inaccurate or over-use of cohesive devices may be repetitive because of lack of referencing and substitution 	 uses a limited range of vocabulary, but this is minimally adequate for the task may make noticeable errors in spelling and/or word formation that may cause some difficulty for the reader 	uses only a limited range of structures attempts complex sentences but these tend to be less accurate than simple sentences may make frequent grammatical errors and punctuation may be faulty; errors can cause some difficulty for the reader
4	 attempts to address the task but does not cover all key features/bullet points; the format may be inappropriate (GT) fails to clearly explain the purpose of the letter; the tone may be inappropriate may confuse key features/bullet points with detail; parts may be unclear, irrelevant, repetitive or inaccurate 	 presents information and ideas but these are not arranged coherently and there is no clear progression in the response uses some basic cohesive devices but these may be inaccurate or repetitive 	 uses only basic vocabulary which may be used repetitively or which may be inappropriate for the task has limited control of word formation and/or spelling; errors may cause strain for the reader 	uses only a very limited range of structures with only rare use of subordinate clauses some structures are accurate but errors predominate, and punctuation is often faulty
3		 does not organise ideas logically may use a very limited range of cohesive devices, and those used may not indicate a logical relationship between ideas 	 uses only a very limited range of words and expressions with very limited control of word formation and/or spelling errors may severely distort the message 	attempts sentence forms but errors in grammar and punctuation predominate and distort the meaning
2	answer is barely related to the task	has very little control of organisational features	uses an extremely limited range of vocabulary; essentially no control of word formation and/or spelling	cannot use sentence forms except in memorised phrases
1	. ,	fails to communicate any message	can only use a few isolated words	cannot use sentence forms at all
0	 does not attend does not attempt the task in any way writes a totally memorised response
